

# Franchise Services

Whether you are an entrepreneur or an established brand looking to expand, choosing to grow your business is an important decision to take on. Caravel Law's team of legal counsel is dedicated to assisting both franchisors and franchisees in all areas of franchise law. We focus on the legal hurdles so you can focus on growing your business.

- Franchise disclosure document preparation or revision (for a franchisor)
- Franchise disclosure document review (for a franchisee)
- Franchise agreement preparation
- Franchise amending agreement preparation
- Franchise termination
- Documentation related to the sale of a franchise

Our large roster of experienced lawyers with specialties in a wide range of commercial matters will ensure that you have the backing you need every step of the way, including leasing, IP/IT, employment, and litigation matters.
